

PREXAparts is Brechmann Handels GmbH & Co. KG's performance brand for high-quality OE ident parts. With over 45 years of experience, we only supply selected ident parts of outstanding quality that meet and often exceed the OE parts standard in terms of precision, quality and function. We deliver top quality at competitive prices – fast, reliable and efficient.

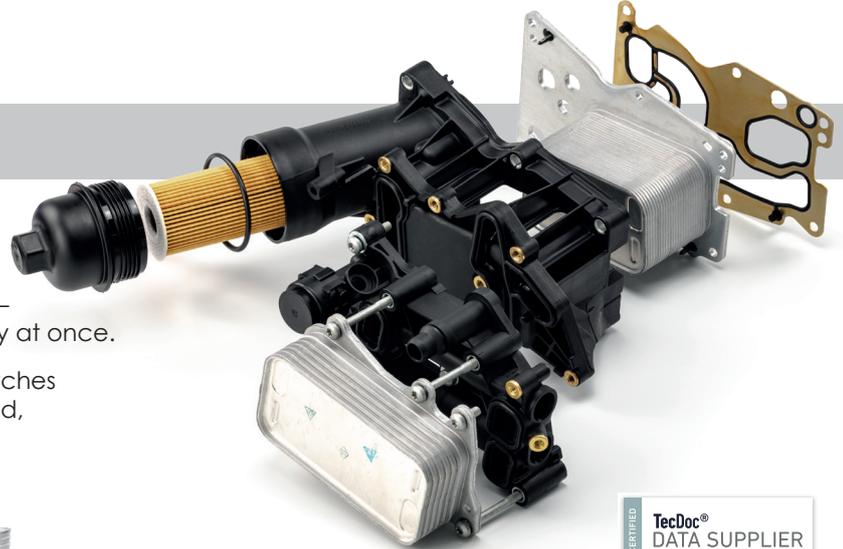

Oil Filter Module

P150366

PREXAparts Oil Filter Modules are complete ready-to-use solutions.

All components are already professionally assembled – the component can be installed quickly and efficiently at once.

Additional parts, such as sealing plugs, oil pressure switches or thermostats, depending on the vehicle type required, are also already included in our Oil Filter Modules.
